

## NICOLA BERNASCONI

Born in 1973, studied literature and film in Lausanne, communications sciences in Lugano and film production in Milan. Since 1999 has been working in audio-visuals as production organizer and director. From 2006 to 2012 he worked with the *ventura film* production company. This year he founded the ROUGH CAT production house. He has produced Vito Robbiani's *Stella d'oro*, Filippo Demarchi's *17 anni* and Giorgio Casella's *Ovest*.

## ROUGH CAT

It is a production company based in Lugano. Founded a few months ago, it has the ambition to develop and produce feature films, documentaries, webseries and multimedia projects realized by young filmmakers, mostly local, with an eye toward the panorama of European films and co-productions.
